30 YEARS OF COMMUNITY, PRIDE, VISIBILITY AND FREEDOM.

Although the leather scene had long flourished in Amsterdam's Warmoesstraat, the first official Amsterdam Leather Pride took place in **October 1996**. It was organised by **Martijn Bakker**, owner of **RoB Amsterdam**, together with **Mister B** and **Black Body**. After several years, RoB took the lead in organising. The goal was clear: to celebrate leather culture and place Amsterdam firmly on the international leather map - a goal achieved, with over **2,000 fetish lovers** coming to the city to celebrate.

Over the years, the event grew into an international gathering, introduced the **Mr. Leather Netherlands** title, and expanded beyond leather to embrace the wider fetish community.

In **2015**, the organisation was taken over by **Michael Roks**, current owner of **Eagle Amsterdam** and **Dirty Dicks**. From that moment on, the weekend became an essential part of **Amsterdam's fetish life**, bringing diverse communities together under **one roof - inclusive, open, one family**.

In recent years, the team behind the weekend has grown with a few new members, including **Arjan Kroner**, the current owner of **The Cuckoo's Nest & Bears Amsterdam**. Together, they have formed an amazing and **strong team**, ready to **break barriers** and **connect communities**.

The event evolved into **Leather & Fetish Pride Netherlands**, reflecting a broader range of fetishes and kinks and creating a **weekend for everyone**. As a cherry on top - **INVASION** - the **main party** of the weekend bringing together more than 1000 attendees. This year, we proudly celebrate **30 years of freedom, pride, community, and visibility**.

FOR the community, **BY** the community. Join us at **Leather & Fetish Pride Netherlands 2026** and let's make unforgettable memories!

DEAR VISITOR,

For 30 years, Leather & Fetish Pride has been about freedom, desire, connection and being unapologetically who you are. And you are what makes it all come alive.

So gear up, buckle it tighter, show some skin, flirt shamelessly and get sweaty. Be bold, be kinky, be proud - and maybe a little filthy.

Celebrate old friends, make some dangerously interesting new ones, respect each other's boundaries and remember: consent is fucking sexy.

So come as you are - or as the filthy, fabulous version of yourself you've been waiting all year to unleash.

Happy 30 Years of Leather & Fetish Pride.

WITH LOVE & PRIDE,

Dawid, Michael, Jorg, Robert & Arjan

THE LEATHER & FETISH PRIDE NETHERLANDS CORE TEAM

"At RoB, craftsmanship is at the core of everything we do. We take pride in designing and producing our leather and rubber clothing in our own workshops, ensuring exceptional quality, attention to detail."

Welcome to RoB Amsterdam, where we invite you to explore, express, and embrace your unique fetish interests with confidence, quality, and authenticity.

*In 2026, **Dutch Rubbermen will join Leather & Fetish Pride Netherlands** for one special weekend, adding even more excitement to the most kinky weekend of the year in The Netherlands. As part of this collaboration, the weekend's program will feature even more activities, including the prestigious election of **Mr. Rubber Europe 2027**, hosted together with **Confederation of European Rubber Clubs (CERC)**.*

We're thrilled to be working together on this special collaboration. Our goal is to create an unforgettable experience for every guest while showcasing the very best of the Dutch fetish community - our hospitality, our creativity, and our legendary parties. Be sure to join us!

There will be no Mr. Rubber Netherlands election in 2026.

To ensure we can give Mr. Rubber Europe 2027 the attention and quality it deserves, Dutch Rubbermen has decided to focus on hosting one outstanding election.

As a result, Daylon, Mr. Rubber Netherlands 2026, will proudly continue his reign for another year, representing the Dutch rubber community until the next national election.

ONE YEAR AS MR. RUBBER NEDERLAND 2026

When my name was announced on July 12, 2025, as Mr. Rubber Netherlands 2025, it felt like a true full-circle moment. As Mr. Rubber Netherlands, I have dedicated myself to putting our community on the map by showcasing our creativity, openness, and our shiny passion. Over the past year, I've had the privilege of traveling across Europe and meeting incredible people who have shown me just how warm, welcoming, and connected our community truly is.

I never imagined I would one day be able to proudly say that I am Mr. Rubber Netherlands 2025. Thanks to this title, I have overcome insecurities and found so much confidence, love, and friendship. For that, I am deeply grateful to all of you.

I'm proud that I can still represent you, and I hope my successor will continue to champion our community with the same passion. Above all, what I've learned during my reign is that we belong together. No matter where we are, we continue to inspire and support one another, making this scene a second home for all of us.

Some stories never truly end. I will continue to follow you all with pride, wherever in the world our paths may cross.

xxx Daylon

**MISTER B IS PROUD TO SUPPORT THE 30TH ANNIVERSARY OF
LEATHER & FETISH PRIDE NETHERLANDS.**

Rooted in Amsterdam and connected to fetish communities around the world, Mister B has always been more than a store. It is a place for leather lovers, rubber pigs, sportswear fans, pups, fisters, kinksters, and curious newcomers to find the gear, confidence, and attitude that make them feel fully themselves.

For decades, Amsterdam has been an international meeting point for fetish culture, bringing together people from different scenes, countries, bodies, and identities. Leather & Fetish Pride Netherlands celebrates exactly that: community, visibility, freedom, and the joy of being proudly kinky.

As a sponsor, Mister B is honoured to stand with the community during this special anniversary edition. Whether you are local, visiting from abroad, fully geared up, or discovering your first piece of leather, we welcome you to celebrate, connect, play, and show your pride.

See you in Amsterdam!

Mister B
Prinsengracht 192, Amsterdam
misterb.com

Over the past nine months, I have come to realize that my campaign was never really about words. It was about one simple choice: are you willing to be genuinely curious about another person? Curiosity leads to wonder. Wonder grows into admiration. And when we truly get to know and appreciate someone, we become more willing to treat them with respect, care for one another, and protect each other. That is where connection begins. Connection creates trust. Trust fosters safety. And only when people feel safe can they truly experience freedom.

Over the past year, I have tried to turn four words - **connection, trust, safety, and freedom** - into action. By representing the Dutch Leather Community at Pride events both in the Netherlands and abroad. By engaging in conversations with members of the community, organizations, visitors, and allies. By taking time to honor those who came before us. By increasing visibility and encouraging others to step forward, take responsibility, and look out for one another.

Every encounter, every speech, every parade, and every conversation has reinforced the same truth: real change rarely begins with grand gestures. It begins with listening without judgment, simply being present, and giving people the space to be themselves.

As **Mr. Leather Netherlands**, I have learned at least as much as I hope I have contributed. I have met extraordinary people, built friendships across borders, and experienced just how powerful a connected community can be. With three months still ahead of me, my mission remains unchanged: to help create a world where more people feel connected, trusted, safe, and ultimately free, simply because someone chose to be genuinely curious about another person.

with love,

DANNY

OVER THE PAST FEW YEARS, FUCK & FIST—THE BRAND KNOWN FOR ITS RED MINOTAUR LOGO—HAS GRADUALLY ESTABLISHED ITSELF AS A NEW STANDARD IN LUBRICANTS. DESIGNED BY GAY MEN FOR GAY MEN, THIS BRAND MEETS THE ESSENTIAL NEEDS OF EXTREME ANAL PLAY: OPTIMAL, LONG-LASTING LUBRICATION FOR UNLIMITED PLEASURE!

ITS FLAGSHIP PRODUCT? FF POWDER, A TRUE GAME-CHANGER: IT LETS YOU PREPARE 500 ML OF LUBE IN JUST A FEW MINUTES USING ONLY A TEASPOON OF POWDER. THE RESULT IS A THICK GEL THAT'S EASY TO USE AND OFFERS UNMATCHED GLIDE. IT'S PERFECT FOR FIST FUCKING AND EXTREME ANAL PLAY, SUCH AS USING LARGE SEX TOYS. UNLIKE ITS COMPETITORS, FF POWDER HAS A PERFECTLY SMOOTH TEXTURE, IS GUARANTEED TO BE FREE OF CLUMPS, AND IS ENTIRELY MANUFACTURED IN EUROPE!

BUT FUCK & FIST ALSO OFFERS A FULL RANGE OF LUBRICANTS SUITED TO EVERY KIND OF PLEASURE: WATER-BASED OR SILICONE-BASED LUBRICANTS (ALSO AVAILABLE IN RELAXING FORMULAS FOR OPTIMAL COMFORT), GREASE-BASED CREAMS AND HYBRID LUBRICANTS DESIGNED FOR FISTING, SEMEN-EFFECT LUBRICANTS, AND LUBRICANTS FOR SOUNDING. IN ADDITION TO LUBRICANTS, THE BRAND OFFERS BOOSTER SPRAYS: DEEP THROAT, ANAL RELAXANT, DELAY SPRAY... EVERYTHING GUYS NEED TO ENHANCE THEIR EXPERIENCES.
